

# WOODSIDE PLAN 2355 sq ft

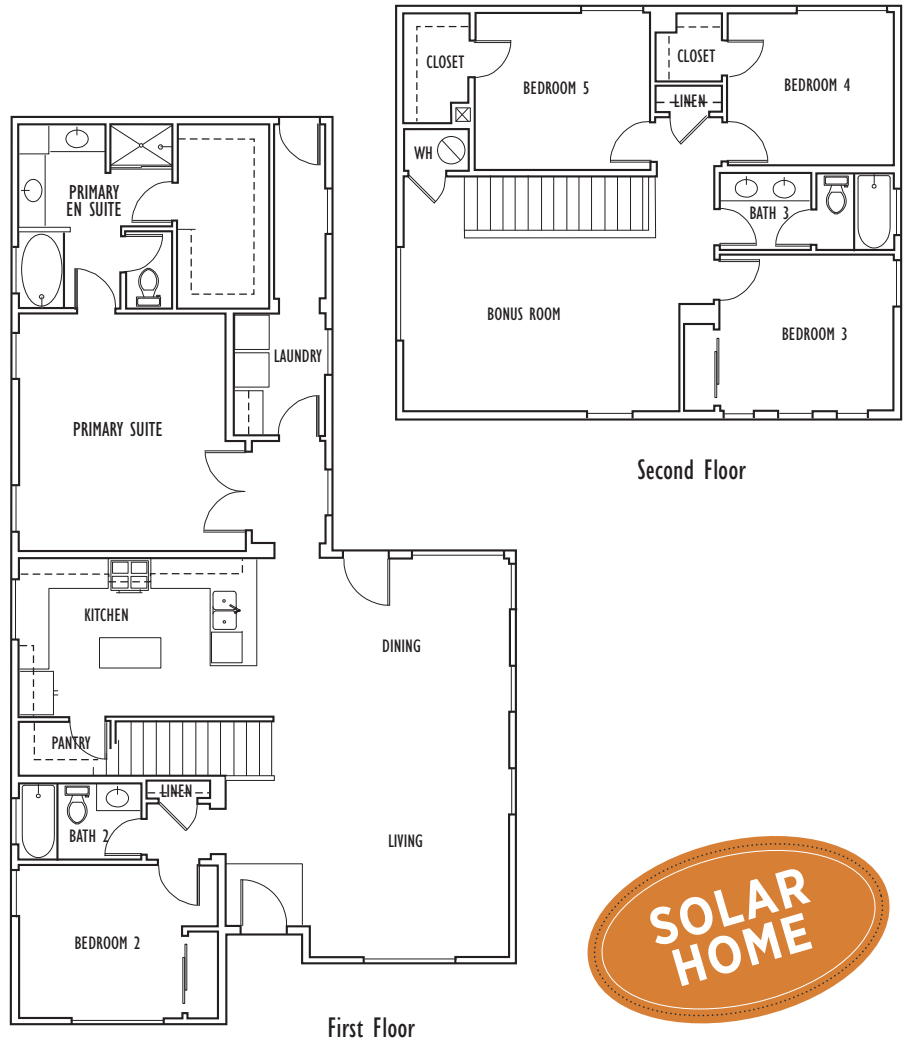

Plan I

Plan II

Plan III

**This rare** 5 Bedroom, 3 Bath plan sells quickly! The large, open downstairs dining/living space flows easily into a spacious kitchen featuring walk-in pantry and ample cabinetry with an island. It also features two very popular downstairs bedrooms with full baths. The main master includes a huge walk-in closet, gorgeous master bath with two vanities and a separate tub and shower. The upstairs features three additional bedrooms (two with walk-in closets) and a hall bath. It all centers around a spacious and open bonus room.

Designer finishes and touches are evident throughout this beautiful home. The kitchen includes attractive wood cabinetry, granite countertops, and GE® stainless appliances. Two car garage may be attached or detached depending on lot shape and size. This home is located close to schools and has easy freeway access.

All homes are equipped with solar panels. System can be leased or purchased by the homeowner. Pricing listed does not include the cost of leasing or purchasing the Solar - prices vary by plan. See Salesperson to review the specifics per home.

Renderings are artist's conceptions; actual homes may vary. Floor plans differ by elevation, Plan I is drawn. Square footage listed is approximate. Builder reserves the right to make changes deemed necessary. CA BRE #01360170 © Nino Homes 2024. All rights reserved.
